5. Choose Your Rebate Option

Check one or both options:

- I would like to apply for SCE's \$50 EE Rebate. **Terms & Conditions** apply.
- I would like to apply for SCE's \$75 Demand Response (DR) Technology Incentive. I understand by electing to receive the \$75 DR Technology Incentive, my DR service provider may remotely adjust the temperature setpoint on my thermostat to minimize A/C usage during energy events for qualifying DR programs. I also understand that I can override temperature adjustments at any time. **Terms & Conditions** apply.

6. Customer Confirmation

- By checking this box, I confirm that I am the customer of record and understand the Terms and Condition of the programs. I also understand that a proof of purchase is required to apply for any rebates.

*The up to \$125 in bill credits is comprised of a \$50 Energy Efficiency and \$75 Demand Response credit. Limit one of each per service account or thermostat. Eligibility for each credit will be administered and processed separately. No bill credits will be issued to customers with Smart Thermostats that are not on the list of qualifying models displayed in section 3. Only the SCE customer whose name and address appears on the SCE account is eligible for this offer. Bill credit(s) will be issued to eligible customer approximately 6-8 weeks after successfully submitting the Application with a valid proof of purchase. Qualifying thermostats are those that are purchased on or after January 1, 2019. Qualifying thermostats purchased in 2018 may qualify for the \$75 Demand Response credit. See Terms and Conditions for full details. This program is funded by SCE customers and administered by SCE under the auspices of the California Public Utilities Commission. Funds are available on a first-come, first-served basis until such funds are no longer available. This program may be modified or terminated without prior notice.
